## BLUELINE K9 TRAINING MISSION

At Blueline K9 Training our mission is to not only protect and serve the public but to do so, along with our brothers and sisters in blue, with honesty and integrity. Our Conference is the **ONLY** conference in the United States hosted by **ONLY** active police K9 handlers. We started this conference to be different and we have been from the start. From an exclusive instructor lineup, classes, and doing the very best we can to take care of those who believed in us from the start - this is what it's all about. Join us in 2022 when we go back to where it all started! Pittsburgh...
